

# Rocket Boys Little League Basketball

The goal of the Rocket Basketball Little League is to provide your child with a friendly, positive, and competitive atmosphere in which to learn basketball fundamentals and rules in drill and controlled game situations. The non-travel recreation league will be almost like last year. It is my goal to offer the kids and parents of Crittenden County the best basketball experience possible. Because of this many of you notice that our league is constantly evolving. Rocket basketball also sponsors two travel teams, one 3-4 grade and one 5-6 grade. Our staff will be evaluating players as they practice in the recreation league and inviting 10-12 athletes in respective grade levels to participate in travel basketball. Our travel teams are not designed to see who can assemble the best athletes in the state, win the most AAU points, or drive the most miles, and spend the most money. Instead my goal is to help each athlete, through positive coaching make the most improvement possible throughout the course of the year. Coaches for our travel teams will be Richard Faith, Travis Perryman, and Landon Young.
