Dear Friends,

December is quickly approaching and it's time for planning a new twist for this year's Crittenden County Chamber Christmas event. While these are different times, things will be a little different. We want to continue to be able to host events while encouraging social distancing and keeping our community safe. In lieu of the Christmas parade, we have decided to light up our town with a Crittenden's Christmas Trail. This will be very similar to the bale trail. We encourage each individual and business in Crittenden County to participate. You may decorate your home or business of your choice.

Included is an entry form. Please fill out and return no later than November 30th to either the Chamber office located at City Hall or drop off at either Farmers Bank locations in Marion. Please have your home or business decorations completed by December 4<sup>th</sup>. We will advertise for the community to start the trail on December 5<sup>th</sup> and will go through December 19<sup>th</sup>. There will be maps provided. The map will have every location listed on it.

Once you have completed decorating, please submit a picture to the email above. We will be doing an online voting for a winner by the number of likes on Facebook. We will not post the pictures until December 20<sup>th</sup>, which will be the day of voting. We will have an individual winner and a business winner. Each winner will receive \$75.00. Christmas is a time of giving and blessing others. With the \$75.00, the winners will have a choice to donate their prize money to a local organization, church, or shelter of their choice. There will be a special recognition for the winners as well.

The Chamber of Commerce appreciates your participation and your assistance in making this Holiday Season special for our community.

Warm Wishes,
